

# PUBLIC OPEN HOUSE

The Town of Wilton invites the community to participate in the second public open house for the Carr Road & Jones Road Traffic & Connectivity Improvements project. The public is welcome to drop in at any point during the open house. A brief overview of the design will be presented shortly after 6:00 pm.

The project aims to improve the intersections of Northern Pines Road / Carr Road and Carr Road / Jones Road, as well as the bicycle and pedestrian connections in this area of Wilton. The purpose of this open house is to share the final design with the community and provide the opportunity for final comments.

**Join us to learn about the final design!**

**December 18, 2025**

6:00 - 7:30 PM

Drop in anytime!

**Gavin Gym at Gavin Park**

10 Lewis Drive

Saratoga Springs, NY 12866
