Summary: **H-1 Zone:** The Code Revision committee adopted the changes to the H-1 zone and decided to create a H-2 zone. See Amy's email sent on 1/16/18.

**Town Code Chapters 109 and 129:** Both chapters that were handed out contained revisions suggested by Town Staff. The revisions are mostly administrative in nature, but the committee started their review and discussion of Chapter 109.

For those of you who were unable to attend, both those chapters will be available at this week's meeting on January 24<sup>th</sup>.

Looking forward to seeing you on Wednesday at 4 PM.
