To the Town of Wilton Residents:

I am pleased to present our first edition of Wilton Watch. This edition will highlight Fall and Winter information. I would first like to mention information on what took place in the first part of 2025.

We work hard to keep our residents and visitors safe. We have included funding for specialized law enforcement services and school safety resource officers as well as increased support for emergency services. These particularly important community service personnel serve our community not only when a specific need arises but on an ongoing daily basis. We have provided residents with a safe and free method to dispose of hazardous and bulk waste. The Town has coordinated with our County leaders to provide training workshops for the use of Narcan putting the power of treatment for drug overdoses in our residents' pockets. We have also coordinated meetings to provide our Seniors with important information on nutrition, health, welfare and safety. I personally worked with Verizon on putting up three additional cell towers and we are in the process of installing another one to improve cell service.

Gavin Park provides the residents and visitors with a recreational facility where they can enjoy a wide range of activities. The Town invests in the playground and splash pad to maintain safety for all. Our Parks and Recreation Department had a great turnout for our Summer Camp Program. There were 300 children enrolled to enjoy the summer by playing in the Splash Park, participating in onsite activities such as sports, arts and crafts and playing on our beautiful playground equipped with the new Zipline. The offsite activities were a big hit as well. We employ over 50 additional summer staff for this program. Our thanks to the Director of Parks and Recreation at Gavin Park, Ross MacNeil and his entire staff for having a fun and safe summer for all. Keep an eye out for more outdoor pickleball courts.

In June we held Wilton Community Day with lots of food, games, rides, shows and live music by Skippy and the Pistons. It was a beautiful sunny day for all to enjoy. We also held the Music in the Park program which provided residents with a free evening out to relax and enjoy great music in July and August on Wednesday nights from 7pm to 9pm.

In the winter and through the summer months our Highway Superintendent, Mike Monroe, and his crew have worked hard through ice, snow and sometimes 95-degree weather to maintain 120 miles of road keeping them safe for all travelers. We purchased a brine truck and the added equipment needed to reduce the use of salt. The Town is the first-in-region program that reduces use of road salt. The result will be safer roads and cleaner drinking water.

Our Town Clerk/Tax Receiver, Susan Baldwin and her staff received property tax payments from the residents for tax payments to the County from January through March as a courtesy, so our residents did not have to travel to the Saratoga County Tax Receiver in Ballston Spa. After March 31st, however, all payments must be made in Ballston Spa.

I am pleased to announce that the Town of Wilton is entering its 44th year without a town or highway tax. We have been providing important services and programs to the residents without implementing a tax burden on the residents.

On behalf of myself and the Town Board we are pleased to serve you and help any way we can. Please call or email me with any questions or concerns.

Best Regards,

John Lant, Supervisor

From the Desk of Susan Baldwin, Town Clerk

The Town Clerk's office serves as the primary point of contact for town residents. If a resident has a question about the town, the clerk's office will do their best to help find an answer. They serve as the official keeper and preserver of the town's important documents. This includes maintaining vital records such as birth, marriage, and death certificates, which form the basis for state vital registration systems.

The town clerk's office is responsible for issuing various licenses and permits to residents and businesses. This includes common licenses such as marriage licenses, dog licenses, hunting and fishing licenses as well as certificates of residency forms needed for students in the town who are attending NYS community colleges. They provide public notary services and issue handicapped parking placards for the Wilton residents.

The town clerk must prepare agendas as well as attend all Town Council meetings and serve as the official record keeper. She issues public notifications regarding council meetings and other important announcements.

Your town clerk's office is here to assist the County of Saratoga with collecting property taxes during the months of January thru March making it convenient for the town residents.

BUILDING DEPARTMENT

It has been a very busy year for the Town of Wilton, Building Department. Eight housing developments in progress, approximately 80 permits issued this year alone. Commercial projects such as the new Medical Center on Maple Avenue progressing very nicely and upcoming projects such as the new B.O.C.E.S facility, projected to start in October at the corner of Ballard and North Road. This is all happening with big changes coming to the Building Codes, if you haven't already heard New York State will be requiring all new construction less than six stories in height to be all electric and there are very few exceptions. This and New Codes go into effect on January 1st 2026.

ASSESSOR'S DEPARTMENT

The Assessor's office is responsible for determining and maintaining assessments, property inventory records, deeds, exemptions and tax maps on an estimated 6,630 parcels. The Assessor's office oversees the following:

- Produces the Tentative and Final Rolls for the Town on a yearly basis.
- Assists taxpayers to complete the following exemptions-Seniors, Alternative Veterans, Enhanced Star, Basic Star, Disability, Clergy, Agricultural and Wholly Exempt.
- Defend the Town of Wilton's assessment roll in cases involving the Board of Assessment Review, Small Claims Hearings and Certiorari Proceedings.

Eligible new homeowners will receive their STAR savings in the form of a check or direct deposit directly from New York State.

You must register with the New York State Tax Department of Taxation and Finance to receive a STAR credit. You can register 24 hours a day, 7 days a week, in the homeowner benefit portal at www.tax.ny.gov/star Property owners without access to a computer can register by phone at 518-457-2036 weekdays between 8:30am and 4:30pm.

For more information go to www.townofwilton.com to the Assessor Department.

THE TOWN OF WILTON LILLIAN WORTH SENIOR CENTER

The Town of Wilton Senior Center is located at 18 Traver Road in the Town Hall Complex. It is open on Monday and Tuesdays from 9:00am to 3:00pm. The Center will be closed on Christmas Day and when Saratoga Springs schools are closed for inclement weather. The Senior Center Director, Robin Corrigan can be reached at 518-587-6363 during open hours of operation for further information regarding senior trips or events.

Wilton Seniors can call Saratoga County Department of the Aging and Youth Services for information regarding transportation and other services at 518-884-4100.

TOWN OF WILTON RESIDENTS

PLEASE TAKE NOTICE

Pursuant to Local Law No. 5 of 1985, the parking of vehicles is prohibited on all highways and roads within the Town of Wilton, including the paved portion and shoulder, between Nov. 15, 2025, and April 1, 2026. Any vehicle parked on a highway or road during said restricted period may be removed and stored at the owner's expense.

Please also be mindful that your garbage cans are to be placed in your driveway (not in the road) even with your mailbox post on pick up days. Your cooperation in this regard will be greatly appreciated.

Michael Monroe
Highway Superintendent

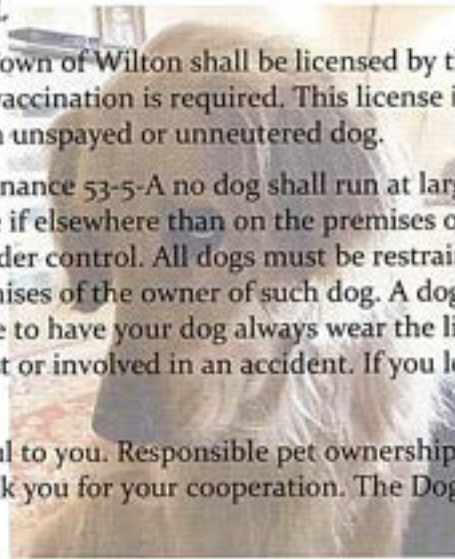

TOWN OF WILTON DOG CONTROL

Please be advised that all dogs in the Town of Wilton shall be licensed by the Town Clerk by the age of 4 months and that the current certificate of a rabies vaccination is required. This license is renewed annually with a fee of \$5.00 for a spayed or neutered dog or \$13.00 for an unspayed or unneutered dog.

Additionally, as per Wilton Town Ordinance 53-5-A no dog shall run at large within the territorial limits of the Town of Wilton. A dog shall be deemed at large if elsewhere than on the premises of the owner, not accompanied by the owner or his agent always having said dog under control. All dogs must be restrained by adequate collar and leash, or fenced by visible or invisible fence at the premises of the owner of such dog. A dog in the company of a hunter or hunters does not constitute running at large. Be sure to have your dog always wear the license and rabies tags. This will provide faster identification should your pet be lost or involved in an accident. If you lose a tag, you may purchase a replacement tag at Town Hall for \$3.00.

We hope this information will be useful to you. Responsible pet ownership and consideration for your neighbors will improve the quality of life for all. Thank you for your cooperation. The Dog Control office phone number is 518-223-2387.

From the Desk of Maria Moran, Comptroller

Accountability is the cornerstone of trust. Within the organizational structure of the Town of Wilton, the responsibilities for financial stewardship are coordinated between the Comptroller's Office and the Bookkeeper's Office. These offices collaborate to support the Wilton Town Board in its responsibility to provide fiscal transparency, accountability, and best practices in all aspects of municipal finance. Our work delivers relevant financial data that residents and users can trust.

The Comptroller is the Town's CFO and is responsible for all fiscal matters and financial compliance for the Town of Wilton. These duties include oversight of the Bookkeeping Office, preparation of the Town's budget, cash and investments monitoring, capital assets inventory and reporting, payroll, procurement, financial reporting, implementation of new accounting standards, reporting to federal, state and local authorities, annual internal reviews, external audits, and IT matters. The Comptroller maintains direct-line communication with all Department Heads. The Comptroller reports directly to the Town Board, providing information related to budget variances and advising as to fiscal policy.

The Bookkeeper handles receipts, vendor payments, billings to outside entities and enters transactions to the Town's accounting system. Reconciliations utilizing external and subsidiary reports to the general ledger is a daily, ongoing activity which helps to ensure that fiscal information is maintained and presented in a complete, timely and accurate manner. The Bookkeeper prepares the Town's reports to the NYS Retirement System. The Bookkeeper collaborates closely with and reports directly to the Comptroller.

Audited financial statements, budgets, fiscal score reports for current and prior years as well as links to relevant information can be found on the Comptroller's page of the Town's website at www.townofwilton.ny.gov.

The Comptroller can be reached at 518-587-1939 x217 or mmoran@townofwilton.com. The Bookkeeper can be reached at 518-587-1939 x216 or lmuller@townofwilton.com.
